

DESIGN TEMPLATE**ABSTRACT OF THE DISCLOSURE**

5 A design template includes a torso section being one
of a group of a large male, medium male and small female
having each being one of a group of an ERECT posture, a
NEUTRAL posture and a SLUMPED posture. The design template
also includes at least one cross-sectional section cooperating
10 with the torso section at an anatomical landmark to provide a
three-dimensional design template used for designing,
evaluating, and measuring human occupant accommodation and
seating in a seated environment
